

Please be aware that not all road junctions are shown as there would be far too many tulips. The ones shown are where a turn is required or where the required direction is not obvious, if you get to a junction without a tulip continue along the same road as you approached it.

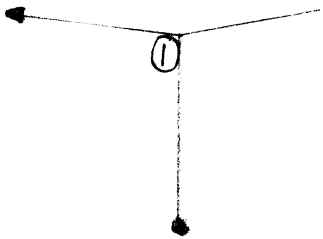

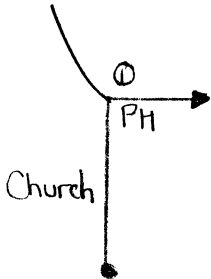

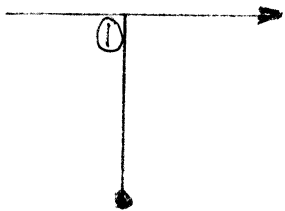

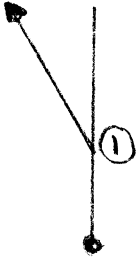

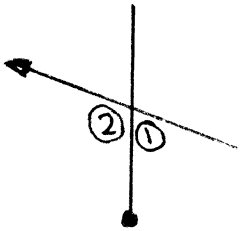

The distances between each tulip have been checked and are accurate.

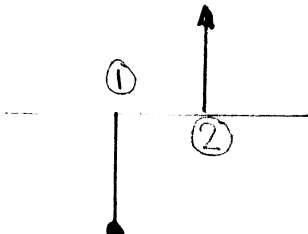

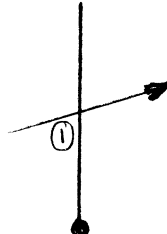

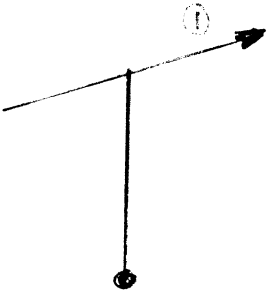

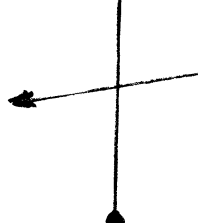

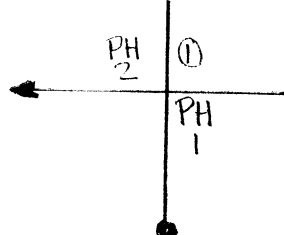

The road sign information given relates only to the required direction of travel.

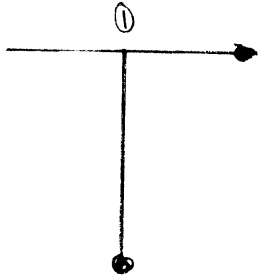

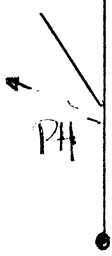

The location of each road sign in relation to the junction is shown as accurately as possible.

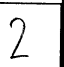

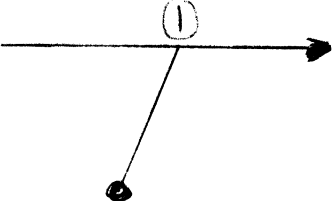

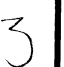

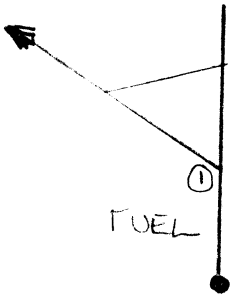

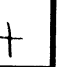

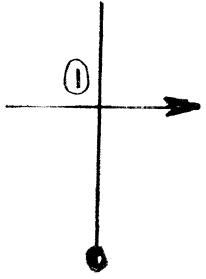

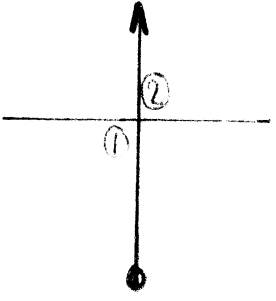

INT. MILES	TOTAL MILES	TULIP	COMMENT
○	○ 1		START
5.8	5.8 2		① Mercaston Holland ② Mercaston Holland ③ Luke Lane
